

Mu Jia

Ph.D. Candidate in Computer and Information Engineering
The Chinese University of Hong Kong, Shenzhen
mujia1@link.cuhk.edu.cn | Homepage | Google Scholar

RESEARCH INTERESTS

Statistical signal detection and estimation; radio-map construction and inference; wireless sensing and localization; integrated sensing and communication.

EDUCATION

- **The Chinese University of Hong Kong, Shenzhen** Shenzhen, China
Ph.D. Candidate in Computer and Information Engineering *Sep. 2023 – Present*
 - **Supervisors:** Prof. Junting Chen and Prof. Pooi-Yuen Kam
- **Harbin Institute of Technology, Shenzhen** Shenzhen, China
Master of Science in Information and Communication Engineering *2020 – Jan. 2023*
 - **Supervisor:** Prof. Tingting Zhang
- **University of Glasgow** Glasgow, UK / Chengdu, China
Bachelor of Engineering in Electrical and Electronic Engineering *2016 – 2020*
 - **GPA:** 17.93/22 (First-class Honours)
- **University of Electronic Science and Technology of China** Chengdu, China
Bachelor of Engineering in Electrical and Electronic Engineering *2016 – 2020*
 - **GPA:** 3.53/4.0 (Top 10%)

ACADEMIC EXPERIENCE

- **The Chinese University of Hong Kong, Shenzhen** Shenzhen, China
Teaching Assistant *2023 – 2026*
 - **Courses:** Honors Digital System Design (2026); Digital Communication (Spring/Fall 2025); Digital Signal Processing (Fall 2023, Fall 2024); Signals and Systems (Spring 2024)

HONORS AND AWARDS

- **Category II Scholarship, CUHK-Shenzhen:** 2023 – 2028
- **First Class Scholarship, HIT Shenzhen:** 2020 – 2021
- **Outstanding Student Scholarship, UESTC:** 2016 – 2020

PUBLICATIONS

Journal Articles and Submissions
